Constellis owns and operates the largest private training center in the United States. ACADEMI, based in North Carolina, is a 3,700-acre, state-of-the-art training facility hosting more than 20,000 students each year. Able to train 1,500 students at a time, 24 hours-a-day, 365 days-a-year ACADEMI delivers training capabilities for government and commercial customers. We also offer satellite training facilities in San Diego, CA; Salem, CT; and at customer sites.

Offering over 500 different curriculums, our 95 instructors come from military backgrounds including U.S. Army Special Forces, U.S. Navy SEALs, U.S. Army Rangers, U.S. Marine Corps, U.S. Coast Guard, SWAT teams and Canadian Special Forces.

A leading provider of operational support and risk management services, Constellis supports a wide range of government and commercial clients:

- U.S. federal agencies including Department of Homeland Security (DHS), State Department (DoS), Department of Energy (DoE), Department of Defense (DoD), and DoS’ Diplomatic Protection staff and their Anti-Terrorist Assistance programs
- 45 U.S. partner nations
- All five U.S. military branches, including elite Special Operations units
- Federal, state and local law enforcement
- Local and regional security forces
